ZIGGLE KOREAN CHICKEN

139 QUEENS ROAD

09 282 2253 - 7 days 11am - 9pm Photo credit : ziggle.nz

Welcome Ziggle - tasty Korean fried chicken!

Welcome to the new chicken spot in town – Ziggle! Serving up mouth-watering food, and delivering excellent customer service is at the heart of this new eatery. Chris, and business partner Min, chose Panmure as they liked the feeling of the Town Centre.

They are based over the North Shore, and not very familiar with the area. They had originally been shown a site in Glen Innes, however they found the perfect spot in Panmure. We are very pleased they chose our Town! Chris, the owner, has been in

the hospitality industry for over 16 years and has always wanted to pursue his own venture. He opened his first Ziggle on K'Road, a second one in Henderson, with Panmure his third. He is currently working on a fourth site in Manukau.

The menu offers a variety of items which are sure to please everyone at an affordable price point; of course there is their famous fried chicken, but there's also hand-crafted burgers, and you can't go wrong with their loaded Bulgogi fries.... or the Crunchy White burger, or the Bulgogi

burger- its just all so good!

Chris and his team at Ziggle have managed to make the small space work for them, with an edgy vibe to their décor and space. The seating arrangement allows for flexibility and can comfortably seat a family of four, or a group of friends - so go check it out!

Ziggle is open 7 days a week from 11m-9pm. Their Instagram is @ziggle.nz, plus you can order online via their website - ziggle.nz

TOWN MANAGER'S REPORT

The Peace Experiment hosted our 70th Annual General Meeting this past month, which saw one of its highest turn outs in many years! Many thanks to our members that responded to our AGM notice, and even more so, to the members that were able to attend. It was lovely to share with you all the progress the PBA has made in the past year, as well as carry out the important work of receiving various reports and approving our 2023/2024 budget.

With every AGM, comes the end of a board term, and I would like to thank our 2022 Board Members for their work, and contributions. To Jane Wang and Nick Deshpande, thank you for the skillsets and wealth of experience you both brought to the Board. Special thanks go to long-serving member, Susan Zwaagdijk. Susan has been a proactive board member for eight years and has stepped down to focus on her many other endeavours- she's a busy, innovative woman!

Our 2023 Board has now been elected, and I'm excited to welcome 5 new members- read on to find out more about them! With the sun making a comeback, it's been awesome to see the glass windows of Big Broz, DTR and DK's Mobile & More gleaming! These stores were unfortunately ram-raided earlier this year and had been waiting months for their new glass to be installed.

Finally I'd like to say a big thank you and farewell to Emma, our Marketing Manager, who will be leaving the PBA on 9th November. She has been integral in promoting Panmure as a great food destination, and I'm sure you'll all agree that she will be sorely missed.

Elaine Seakai
Town Manager

SECURITY UPDATE

Recently we had a situation in Panmure that involved a car chase, and armed police stopping a car in Queens Road, thankfully this was resolved without incident. No one ever knows how these cases will play out so please, err on the side of caution and keep yourself and your customers safe. If there was to be a situation involving police outside or near your business remain inside with your customers and wait for police to give the all clear. This is not the time to be standing near the window, taking pictures and

videos with your phone.

There are currently a few illegal dumping sites around town that we are aware of. If you see any rubbish dumping please report it to Auckland Council as soon as it is spotted. As we all know these sites quickly escalate out of control, and are best nipped in the bud.

Taniela Kaivelata
Security Liaison Officer

Christmas in Panmure 2022 Date for the Diary!

This year the Panmure Christmas event will be held in the Panmure Community Hall, car park and Panmure Library. There'll be a visit from Santa, a Christmas Tree Forest and lots of fun activities!

When: Saturday 3rd December 2022 11am - 2pm

Get involved! If you are a local community group, why not get involved? It's the perfect opportunity to have some fun with the local community while promoting your organisation in an engaging way.

We are now taking expressions of interest for stall holders for this event. If you would like to participate, please email manager@panmure.net.nz with the following information:

- 1) Name of organisation/group/school
- 2) Contact name and contact number

We would love it if you had a stall in the community hall showcasing what you do, whilst having fun with the kids (and adults!) Activities like face painting, colouring in, giving out stickers and goodie bags etc would be ideal. Contact Elaine Soakai for more information!

And if you're a local business and wish to have a stall selling your goods - get in touch!

Christmas Tree Forest

From 3rd to 12th December there will be a magical Christmas Tree Forest display inside the Panmure Library.

Community groups/organisations/schools/early learning centres etc can "adopt" one of the 20 Christmas Trees to decorate. The trees will be decorated in the library to showcase on 3rd December at our Christmas Event.

Furthermore, after the event, the trees will be donated to families in need in the Tamaki area. The families are chosen by Tamaki Budgeting and are people that would benefit from being gifted the fully-decorated tree for their enjoyment at Christmas.

There are a couple of trees still to be adopted, so get in touch with us if you wish to decorate a tree. Likewise, if you have decorations to donate, feel free to drop off at the PBA office so we can put them to good use on the trees.

This is a wonderful feel-good initiative and was incredibly popular when we initiated it in 2020, so do get involved if you can!

PBA Annual General Meeting 2022

In October, the PBA held its 70th Annual General Meeting at the Peace Experiment. It was great to see so many of our members in attendance; taking advantage of the opportunity to network with others, as well as engage in the important matters of the Association. We will also be holding a Special General Meeting so keep an eye out for the date.

Key takeaways from the evening included:

1. Updating members of the previous year's achievements such as the success of the Roller Door Art Project, Authentic Eats campaign and the great work PBA staff has done to deliver valuable services to our businesses.

2. Members approved a 3% Business Improvement District (BID) rate increase, adding \$13,716.29 for our 2023-2024 budget. These funds will go towards

keeping up with the rising cost of supplies, maintaining our security and expanding our events capabilities.

3. Early 2023, we will be holding a Special General Meeting (SGM) for our members due to an update of the Business Improvement District Policy. Our Constitution will require updating to align with the policy.

4. Next year will mark a significant milestone for Panmure as it commemorates 175 years of the township. The PBA would love if you could share any stories/memories/photos of Panmure, its people and local businesses (past & present).

A vital part of the PBA's work is attributed to the efforts of our Executive Committee Board members. While a position on the board is voluntary, the contributions of its

members are very important to the ongoing governance, and strategic positioning of our township and its local businesses.

We're excited to usher in some new blood to the 2023 Executive Committee. These new members are Alex George, Deborah Misiuepa, Raj Rathood, and Sylvia Ruhl. Former board member, Norma McDonald will be also be returning. With all this new talent and experience on the board, there is sure to be some exciting meetings ahead.
