Christmas in Panmure 2022

Taking a break from his duties in the North Pole, Santa popped into our Christmas in Panmure event held on Saturday 3rd December. The event was spread across the Panmure Community Hall, its adjoining car park, and the Panmure Community Library.

The day proved to be a hit with excellent weather and a steady stream of families out to kick off the festive season. Maungakiekie-Tamaki Local Board member Peter McGlashan opened the event which then saw DJ John pumping out tunes

throughout the car park and providing MC services, including announcing winners for prize draws throughout the day. Community groups Tamaki Wrap, Men's Shed and Potter's House provided fun games for the kids, with members of the latter group wowing the crowd with an amazing vocal performance!

Amaze brought along their wonderful gourmet popcorn treats while shop neighbors Outta The Ether (OTE) handed out gift bags for the young ones, and tried their hand at balloon art, to spread some

additional Christmas cheer! Sammy the Steam Train, JP the Clown and Bella the face painter all impressed and were kept busy on the day, as well as Mr. Whippy-who kept up the energy for the kids on the bouncy castle with some refreshing ice creams!

Not to be left out, the Panmure Community Library also saw an influx of activity! A Santa's grotto was beautifully decorated for families to take a free photo with Santa and proved very popular with kids and parents alike.

CHRISTMAS in PANMURE

CONTINUED>>>

Santa brought an infectious energy to pictures and took great care to speak with each child, nothing less than what you'd expect from the Man in Red!

The Christmas Tree Forest has been an increasingly popular that sees 20 Christmas trees adopted by our local community groups to decorate and are displayed in the Library for a week so visitors can vote for their favorite. The trees are then gifted to families within our community. There have been some great trees this year that really showcased the creativity of our groups. For instance, Tamaki Budgeting's edible ornaments and Sommerville School's handmade baubles. We're pleased to announce that the winning

tree, as voted by the public, goes to the Mount Wellington Fire Station! It seems their thematic tree, which included free smoke alarms and toy firefighter gear won the crowd over. Heads up guys, your \$100 prize is on it's way!

The PBA would like to thank the Maungakiekie-Tamaki Local Board and Eke Panuku Development Group for sponsoring our 2022 Christmas in Panmure event as well as the groups that worked hard to make this year's event a success. We'd especially like to recognize the Panmure Community Library staff's contributions and efforts.

TOWN MANAGER'S REPORT

Can you believe that in just a few weeks we'll be greeting 2023? Like many businesses and households within our community, the PBA has also been highly activated as we move into the Christmas and New Years period.

In addition to our Christmas in Panmure preparations, (and the event itself!), the new 2022-2023 PBA Executive Committee recently held its first meeting to induct its members and acquaint them with their roles and responsibilities. One of the important items on the agenda was the election of the Chair and Treasurer. In a move signaling continued stability and trust, the Board has once again elected Sharon Alderson from The Café...with no name, as Chair, and for the Treasurer role, Steven Arnold of Peace Experiment. Board members also elected returning member Norma McDonald as Deputy Chair. It is very exciting to see that our 11 board members not only represent the diversity of our local businesses and the commercial interests within our business improvement district, but also reflect our community.

As we get ready to say goodbye to 2022, the PBA would like to pay tribute to

long-time business owner, Peter Doran. Locals, and frequent visitors will have been familiar with Peter, who owned Designer Fabrics on Queens Road for many years; first at 45 Queens Road, and then more recently, a few doors down at 41 Queens Road. Sadly, after a short time in the hospital, Peter passed away a few weeks ago in Wellington surrounded by family.

Peter was a character. He knew Panmure and its customers very well; visiting Designer Fabrics meant always leaving

with a smile, and a hefty bag of fabric! Panmure will not be the same without Peter Doran, he will be greatly missed.

From us here at the PBA office, we wish you all a very happy, and safe, holiday season! Our office will reopen on 18th January 2023, we look forward to seeing you in the New Year.

Elaine Soakai
Town Manager

SECURITY UPDATE

Published by

Christmas is coming - time to hang out with loved ones and have a break. Unfortunately, opportunists take advantage where they can. When your business is closed, please ensure everything is secure; there is no cash on the premise and valuables are out of sight or even off-site. Please also be aware of your neighbouring businesses. If they are closed keep an eye out and please note anything suspicious. As always, if there is an incident

first report to the police, then to me.

I will be taking a short break over Christmas. However, Panmure is my hood and I always have eyes on the area. Merry Christmas and Happy New Year to all our businesses.

Taniela Kaivelata
Security Liaison Officer

Seven Nine Beauty

SEVEN NINE BEAUTY

Welcome to Panmure, Michael! At the end of the Queens Road Arcade, Michael has refurbished and set-up his Barbershop and we have to say it is looking really Dapper. Sleek, sophisticated, and professional with an owner who has 12 years' experience in the hair industry.

Michael has loyal customers from all over Auckland due to his all-encompassing approach to hair. As well as cuts he offers; colour, hair & scalp treatments and will happily advise on styles to suit a customer's face shape.

Michael is also adept at modern or old school style cuts, whatever your preference.

Dapper Hub in Panmure is Michael's first foray into being a business owner. He chose Panmure as a central destination for his many loyal customers. We're sure he will now be adding locals to that list.

qualified to provide a range of denture services.

With many years' experience, the dental technicians at All Denture have advanced technical and clinical skills, they carefully design and handcraft every denture, matching individual requirements to their clients. They can also fit and fix dentures.

New owners have taken over what was Denture Art at the top of the ramp off Jellicoe Court. All Dentures are a professional Denture Clinic that specializes in denture, denture implant treatments, false teeth and cosmetic dentistry.

Panmure is their fourth branch and Marc Adams is the resident Clinical Dental Technician.

Marc has nearly thirty years' experience in the denture industry, and the quality of products and services that clients receive are guaranteed.

The Clinical Dental Technicians at All Dentures are registered dental care professionals, who are trained and

First phase-out of problematic plastics begins

Plastic products banned from 1 October 2022

It is now illegal* to provide, sell or manufacture the following plastic products in Aotearoa New Zealand:

-  Pre-formed **PVC food trays and containers** used for produce, baked goods, or meat only
-  **Polystyrene takeaway food and drink packaging** from a restaurant, café or food stall (eg, trays, containers, bowls, cups)
-  **Expanded polystyrene food and drink packaging** for takeaway (eg, clamshells) and sold at retail (eg, instant noodle cups)
-  **Plastics with pro-degradant additives** to accelerate fragmentation into smaller pieces such as oxo and photo-degradable (eg, some bin liners and dog poo bags)
-  **Plastic drink stirrers****
-  **A cotton bud**** with a plastic stem or a synthetic fibre bud wrapped around any type of stem

Alternatives

-  **Recyclable plastic or paper trays and containers**
-  **Encourage customers to bring their own container or sign up to a reusable system**
-  **Recyclable plastic or paper packaging**
-  **Non-degradable plastic or paper alternatives**
-  **Wooden stirrers or spoon**
-  **Cotton fibre buds with paper or bamboo stems**

* Enforcement action may be taken for non-compliance
 ** Includes all plastic resin codes 1–7, including compostable plastics

From 1 October 2022 it became illegal to provide, sell or manufacture the following plastic products in Aotearoa New Zealand:

- Single use plastic drink stirrers
- Single use plastic cotton buds
- Degradable plastics eg oxo and photo degradable
- Certain PVC food trays and containers
- Polystyrene takeaway food and beverage packaging
- Expanded polystyrene food and beverage packaging

For many businesses, 1st October marks a new beginning in the way we operate. This means you may have to start using alternatives for packaging.

At the Ministry, they will be taking an educa-

tional approach with businesses to help with compliance. However, they will take enforcement action where necessary which may include handing out fines of up to \$100,000 to those who deliberately don't follow the new rules.

Please feel free to scan the QR code below which will bring you to the website for more information.

Auckland's Angels

As the cost of living crisis deepens, we know this will be another tough Christmas for many Aucklanders and your generous support will help provide gifts and festive food parcels for families who would otherwise go without.

Last year, with the help of the community, the Mission distributed around 30,000 gifts and 9,000 Christmas food parcels to families in our community. This year, the Mission would like community members to contribute in several ways:

- Organise a food & gift collection at your workplace or organisation.
- Set up an Auckland's Angels online donation page, where you and your workmates can make a secure donation to help the Mission to buy gifts for tamariki.
- Order gifts online for delivery direct to the Mission's Distribution Centre.

The Auckland Angels drop-off point was set up inside Panmure Library and got collected on 14th Dec (Wed). Big shout out to those who have donated gifts and food.

However, if you choose to take part in Auckland's Angels this year, we encourage you contact Auckland City Mission on 027 5596704 or email aucklandangels@aucklandcitymission.org.nz

Traveling Cottage

You may have noticed some new Roller Door Artwork in town. Our latest piece is on the door of Chang Thai Cafe.

We wish to thank the Maungakiekie-Tāmaki Local Board for funding this installation, featuring the artwork of Leo Alonso.

The artists description of this piece is; "There is a sense of nostalgia and permanence associated with the cottages in this area. In time, it flows and adapts, recalling old times, and telling stories from the past with its strong foundations"

Originally from Colombia, Leo is an Artist, Graphic and Character Designer and Illustrator based in Auckland. Always an enthusiast of motivating people to express themselves through art, this has led him to teach as part of his career.

Panmure has built up an extensive collection of roller door art. The project's start was early in 2020 when the PBA was offered a Development Response package

from Auckland Transport to mitigate the effects of the AMETI Eastern Busway construction. One of the projects decided on was to enliven as many roller doors as possible. By the end of 2021, there was artwork on 10 roller doors along the length of Queens Road, Panmure.

Furthermore, several designs have been added to other areas within Panmure, creating a welcoming and creative space

for all to enjoy at any time. Iwi involvement has been paramount, to ensure collaboration with the community.

The murals have received very positive responses from the public and businesses wanting their roller door to be painted. Local residents are delighted that their once shabby town centre is looking and feeling more enlivened.
