## Spring into Action with Bug King

**S**pring has arrived – and so have the pests! As the weather warms, flies, ants, rodents, and birds become more active. Now is the ideal time to get ahead of the season with a professional pest control treatment from Bug King, proudly protecting the Panmure community for over 15 years.

Whether your property is residential or commercial, Bug King has the skill, tools, and knowledge to tackle any infestation. Summer brings a surge in fly activity, and no one wants these unwelcome visitors

buzzing around their home or business. Rodents also pose a serious threat – gnawing pipes that can lead to flooding, or chewing electrical wiring that could spark a fire. And while birds can be charming, their droppings cause unsightly mess and health risks, while nests can clog gutters and vents, creating costly damage.

Bug King goes beyond quick fixes. Their technicians identify the true cause of pest problems and provide long-term preventative solutions. As AntPro certified ant exterminators, they ensure precise and

effective ant control. Their NZ-certified organic treatments are low-toxicity, family- and pet-safe, and designed to last longer than typical “natural” products.

You will be able to sleep safely in your own bed the same night after bed bug treatment. Plus, with reliable, on-time appointments, the Bug King team work to your schedule.

This spring, take control of your home from pests – call Bug King!

## TOWN MANAGER'S REPORT

The Panmure Business Association held a well-attended Annual General Meeting (AGM) on Monday, 6 October at Auckland Montessori College. A key outcome from the evening was the approval by members not to increase the BID targeted rate for the 2026/2027 financial year. In addition, members endorsed the proposed indicative budget and the corresponding annual business plan for the same period.

The AGM also saw the election of the Executive Committee for 2025/2026. We are pleased to welcome seven new board members, along with three returning members from the previous committee. All member-approved documents from the AGM, as well as our key strategic documents are available on our website.

Following the success of our first Sip and Sit event in August, the PBA is excited

to host another session on Wednesday, 12 November, from 4:00pm to 6:00pm at Auckland Montessori College. All members are warmly invited to attend this informal networking opportunity. To help us with planning, we kindly ask attendees to RSVP via email to [info@panmure.net.nz](mailto:info@panmure.net.nz) – this will be a great opportunity for our members

to familiarise themselves with the PBA and the value we offer our members, as well as connect with other members. We hope to see you there!

*Elaine Soakai*  
Town Manager

## SECURITY UPDATE

Keep an eye out for two new faces in our town centre: Auckland Council Compliance Wardens Jordan and Monu. Over the coming months, they'll be a regular presence in the area as part of a region-wide initiative to enhance public safety and address nuisance concerns across Tāmaki Makaurau.

While their role is separate from the Panmure Business Association's (PBA) ongoing security operations- which include daily foot

patrols- their presence will provide valuable support in helping to deter crime and create a safer environment for both businesses and the wider community.

In addition, following the success of last year's Summer Security Initiative, the PBA is pleased to announce its return for the upcoming holiday season. Beginning 1 November and running through to the end of January 2026, this initiative will ensure a safe and welcoming environment for visitors during the holiday period.

We'd also like to remind business members who have completed the Business Safety and Security Surveys to contact our office to arrange collection. Your feedback plays a vital role in shaping our safety strategies and ensuring we're meeting the needs of our community.

*Taniela Haivelata*  
Security Liaison Officer

## SPOTLIGHT ON PANMURE

### Superstart – New Service for Our Tamariki

#### SUPERSTART EARLY LEARNING CENTRE

46 Te Koa Road  
09 527 1961  
Mon - Fri 7:30am - 5:30pm  
[www.superstart.co.nz](http://www.superstart.co.nz)

Superstart Early Learning Centre has been part of the Panmure community for four years, watching many little ones grow from tiny footsteps into confident school pupils.

They're now offering a FREE 30-hour early childcare service, available Monday to Friday, 9am–3pm. Families can choose any hours or days that suit them – come in the morning today and the afternoon tomorrow, it's completely flexible! The service is open to children aged 0–5 years, from babies to pre-schoolers, with no hidden fees. Parents are welcome to stay until their tamariki feel settled. Walk-ins are available, but spaces are

limited and offered on a first-come, first-served basis.

Every Friday from 10:35–11:35am, Superstart also hosts Mummy's Coffee Time, where parents can relax, enjoy light refreshments, and connect while their little ones play and socialise. It's a fun way for tamariki to explore the centre before starting full-time care.

With spring here, it's the perfect time to start your child's learning journey in a warm, caring environment at Superstart Early Learning

### Rey Ann Finds a New Home on Queens Road

#### REY ANN FILIPINO SUPERETTE

129 Queens Road  
09 570 1116  
Tue - Sun 10am - 6:30pm  
[f /reyanfilipino/](https://www.facebook.com/reyanfilipino/)

Rey Ann Filipino Superette moved from Basin View Lane to its new and improved location at 129 Queens Road in July – and owner Rey couldn't be happier. The new shop enjoys more foot traffic, a bigger and brighter space, and fresh renovations that make it clean and welcoming.

With the move, Rey has expanded the store's range, bringing in more Filipino products and introducing locally made Filipino snacks such as pork crackling, Banono, and pork or ube hopia. For those missing traditional flavours from home,

the store also offers Penoy and Balut – Filipino delicacies made from fertilized duck eggs. Penoy has a creamy texture without a developed embryo, while Balut is known for its rich yolk and savoury broth.

Beyond groceries, Rey Ann Filipino Superette also provides Western Union money transfer services, making it a convenient one-stop shop for the local Filipino community and food lovers alike.
